§ 737.64 Suspension or revocation of licenses.

Pending investigation the Secretary or his designated representative may, whenever he deems necessary, suspend the license of a sampler, inspector, grader, or weigher temporarily without hearing. Upon a written request and a satisfactory statement of reasons therefor submitted by the licensee, or when the licensee has ceased to perform the services for which licensed, the Secretary or his designated representative may, without hearing, suspend or revoke the license issued to such licensee. The Secretary, or his designated representative may, after opportunity for hearing, when possible, has been afforded in the manner prescribed in this section, suspend or revoke a license issued to a sampler, inspector, grader, or weigher when such licensee has, in any manner, become incompetent or incapacitated to perform his duties as such licensee. As soon as it shall come to the attention of a licensed warehouseman that any of the conditions in this section exist, it shall be his duty to notify in writing the Service. Before the license of any sampler, inspector, grader, or weigher is permanently suspended or revoked, pursuant to section 12 of the act, such licensee shall be furnished by the Secretary or his designated representative, a written statement specifying the charges and shall be allowed a reasonable time within which he may answer the same in writing and apply for a hearing, an opportunity for which shall be afforded in accordance with § 737.78.

[SRA, BAE, 129, rev.; 7 FR 6806, Aug. 29, 1942, as amended at 13 FR 8730, Dec. 30, 1948. Redesignated at 50 FR 1814, Jan. 14, 1985]

§ 737.65 Return of suspended, revoked, terminated licenses.

In case a license issued to a sampler, inspector, grader, or weigher is suspended or revoked by the Secretary or by his designated representative, such license shall be returned to the Secretary. At the expiration of any period of suspension of such license, unless in the meantime it is revoked, the dates of the beginning and termination of the

suspension shall be indorsed thereon, it shall be returned to the person to whom it was originally issued, and it shall be posted as prescribed in § 737.54. Any license issued to a sampler, inspector, grader, or weigher shall automatically terminate as to any warehouse whenever the license of such warehouse is suspended, expires, or is revoked, and the license of such sampler, inspector, grader, or weigher shall be returned to the Secretary. In case such license shall apply to more than one warehouse, the Secretary or his designated representative shall issue a new license, omitting the names of the warehouses for which licenses have been suspended, terminated, or revoked. Such new license shall be posted as prescribed in § 737.54.

§ 737.66 Lost or destroyed licenses.

Upon satisfactory proof of the loss or destruction of a license issued to a sampler, inspector, grader, or weigher a duplicate thereof or a new license may be issued under the same or a new number.

§ 737.67 Reports.

Each sampler, inspector, grader, or weigher shall, from time to time, when requested by the Department, make reports on forms furnished for the purpose by the Service bearing upon his activities as such licensee.

§ 737.68 Unlicensed persons; misrepresentation.

No person shall in any way represent himself to be a sampler, inspector, grader, or weigher licensed under the act unless he holds an unsuspended or unrevoked license issued under the act.

§ 737.71 Type, grade, form, or condition.

Whenever the type, grade, form, or condition of tobacco is stated for the purposes of the act and the regulations in this part, the terms used shall be correctly applied and shall be so selected as not to convey a false impression of the tobacco. In determining the type, grade, form, or condition of a package of tobacco, the package as a whole shall be considered rather than parts of it which do not materially affect the value of the entire package and minor irregularities in the tobacco shall be overlooked.

§ 737.72 Type, grade, and form; statement.

Whenever the type, grade, or form of tobacco is stated for the purposes of the act and the regulations in this part, it shall be based upon a careful and thorough examination of the package of tobacco or an official sample thereof. In case the tobacco in one part of a package or sample is inferior to that in other parts of the package or sample, the grade assigned to the tobacco shall be an average, considering the proportion that each part bears to the whole, and in case of a question as to which grade of two or more grades should be assigned to the tobacco, the lowest grade in question shall be assigned.

§ 737.73 Statement of condition.

Whenever the condition of tobacco is stated for the purpose of the act and the regulations in this part, it shall be based upon a careful and thorough examination of the package of tobacco. In case any portion of a package of tobacco is found to be in a tangled, doubtful keeping, or nested condition,

the condition stated for the whole package shall be based upon such tangled, doubtful keeping, or nested portion.

APPEAL ON SAMPLING OR CLASSIFICATION OF TOBACCO

§ 737.74 New receipts; expenses.

If a question arises as to the accuracy of an official sample, or whether the type, grade, form, or condition of the tobacco was correctly stated in a receipt or certificate issued under the act or the regulations in this part, the warehouseman concerned or any person financially interested in the tobacco involved may, after reasonable notice to the other party, submit the question to such committee as the Administrator may appoint. The decision of the committee shall be final, unless the Administrator shall direct a review of the question. Immediately upon making their decision, the committee shall issue a certificate embodying their findings to the appellants and the licensee or licensees involved. If the decision of the committee be that the sample was not representative of the package of tobacco, or that the type, grade, form, or condition was not correctly stated, the receipt or certificate involved shall be returned to and canceled by the licensee who issued it and the licensee shall issue in lieu thereof a new receipt or certificate embodying therein the statement of type, grade, form, or condition in accordance with the findings of the committee. All necessary and reasonable expense of such appeal shall be borne by the losing party, unless the Administrator shall decide that the expense should be prorated between the parties.
